

JOHN S. CLARK COMPANY, LLC.  
P.O. Box 1468 – 210 Airport Road, Mount Airy, NC 27030

John S. Clark Company, LLC has had a successful working relationship with Adams Electric for over 10 years. They have completed over 30 projects for us ranging in size from \$25,000.00 to almost \$10,000,000.00. Many of the projects completed were Design/Build with Adams Electric providing Design and Construction services. We always find them to furnish professional design and quality workmanship.

Adams always staffs their projects with competent well trained employees, who are well versed in OSHA safety compliance.

Our future depends on having quality professionals like Adams Electric to assist us with projects.

Sincerely,

JOHN S. CLARK COMPANY INC.
